Who we are

At CogoUniverse, we are on a mission to revolutionize global trade by tackling the \$3.4 trillion Trade Knowledge and Execution Gap that disproportionately impacts small and medium businesses. We are developing a new category — a Global Trade Platform — that empowers businesses to identify and connect with the right trade partners, optimize shipping and logistics costs, and improve cash flow and cash management.

Recognized as an Asia-Pacific High-Growth Company by the Financial Times and ranked among the Top 100 Indian Growth Champion Companies by the Economic Times, CogoUniverse is in hypergrowth mode. We're on track to reach \$1 billion in revenue by summer.

Your Role at CogoUniverse

Your objective would be to design the entire messaging experience (voice, email, WhatsApp) across segments and channels — tailored for B2B freight decision-makers.

- Create persuasive sequences for each channel & RFM segment
- Design objection-handling flows and message fallback logic
- Collaborate with prompt engineers and UX team for channel fit
- A/B test tones, CTAs, hooks, storytelling styles

Success Metrics:

- 20% improvement in CTA click or reply rates
- 5+ complete channel-optimized journeys designed
- Voice script + email + WhatsApp synergy for 3 personas

Qualifications Required

- Copywriting, funnel marketing, B2B messaging
- Familiar with chatbots, outbound campaigns, tone mapping
