

UI/UX Designer – Conversational Experience

Location: Singapore / Mumbai / Gurugram / Hybrid

Team: Conversation Engine

Type: Internship

Who we are

At CogoUniverse, we are on a mission to revolutionize global trade by tackling the \$3.4 trillion Trade Knowledge and Execution Gap that disproportionately impacts small and medium businesses. We are developing a new category — a Global Trade Platform — that empowers businesses to identify and connect with the right trade partners, optimize shipping and logistics costs, and improve cash flow and cash management.

Recognized as an Asia-Pacific High-Growth Company by the Financial Times and ranked among the Top 100 Indian Growth Champion Companies by the Economic Times, CogoUniverse is in hypergrowth mode. We're on track to reach \$1 billion in revenue by summer.

Your Role at CogoUniverse

- Design a mobile-first, responsive conversational UI (Figma)
- Build fallback flows (Sales escalation, Booking, Support)
- Embed pricing outputs elegantly into conversation flow
- Maintain Cogoport brand identity in UX

Qualifications Required

- Bachelor's degree in Design, HCI, or Visual Communication
- Expertise in Figma
- Strong understanding of Conversational UX, SaaS, or B2B platforms
- Portfolio showcasing chatbot or AI interface work

Fuel your Future with CogoUniverse

Learn how to design for AI-first interfaces. Develop skills in designing UX where language is the product — an emerging space expected to dominate digital interfaces in the next decade.
